*Life is a Moving Experience™*

## TOYOTA REAR-ENTRY

The 32" wide ramp accommodates the largest of wheelchairs, and our lowered-floor interior has space for two wheelchair seating positions.

Available with manual or automatic ramp options. An updated seating configuration allows 25" between aftermarket bucket seats to allow wheelchair users to ride in the 2nd row along with friends and family.

Visit your local BraunAbility dealer today and experience a new level of convenience with the Toyota Rear-Entry.
